**By Faith Ministries** would like to invite you to our new on-line small group Bible Study. We recognize that our lives are running in many different directions as we care for our families, meet deadlines, care for our households, aging parents and even our own health and fitness. It's difficult to commit to one more thing that takes us out of our homes after a hard day.

We have developed this on-line Bible study opportunity that allows us to come together in one (cyber) place to discuss God's Word and find strength in one another. We don't even have to leave our homes but we will still join in prayer, study, and learn and laugh together on line.

**By Faith Ministries** has shared many stories over the years that we pray will encourage you that no matter what is happening in your life you will honor and glorify our heavenly Father in and through that situation. We have developed a study for each of these stories to help us search deeper, knowing God more through His Word,

deciphering the meaning and purpose in each story and in so becoming just a little more like His Son Jesus Christ.

### **LEARN FROM GOD'S WORD:**

"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work." 2 Timothy 3:16-17 NIV

### **LEARN FROM ONE ANOTHER:**

"Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God." 2 Corinthians 1:3-4 NIV
